Review: I bought this book on a whim. Since it is the third book in the Cradleland Chronicles series, by not having read the first two, I started out at a disadvantage. This book focused on the story of Noah, his family, and the building of the Biblical ark. As an adventure series, it did okay, but the plot appeared plodding at times. Although believers know...

Description: The judgment of the Creator on a wicked world is drawing near, and Noah, having received a commission from the Gardener, is building the ark. Dark powers target Noah for destruction, knowing that if he fails they will have won the war against the Creator. Douglas Hirt weaves a wonderfully imaginative tale around biblical facts. This highly detailed and...
